The Mussey Township **Spring Clean Up** will be held on **Saturday, June 14th & 21st from 8 am to 1 pm**, 1/4 mile East of Capac Rd. on M-21 (Previous location of Fan-Tastic Vent). **Mussey Township residents and Mussey Township Property owners only.** No commercial use of the clean up is allowed. No household batteries, paint or nails. Freon products will be accepted with a \$15 charge. No items shall be removed from the premises after it is dropped off. Metal must be separated and placed in separate bins. Midway Disposal of Brown City will be providing the bins. If you have any questions, please call the Township Hall at 395-4915. Tires will also be collected by Ida Demeray. Car tire:\$2.50, light truck tire: \$2.50, heavy truck tire: \$6.50, tractor tire: \$1.25/inch

Capac Youth Sports Committee: With the weather finally getting warmer, we can all once again start using the track for walking, running or biking. We are currently in the works of installing a play area for everyone to enjoy. The purpose of the organization is to support construction and expansion of an active recreational facility for residents of Western St. Clair County. We are also beginning a campaign to purchase park benches for the youth sports complex. They will be located throughout the complex to provide comfortable seating during events or simply a place to rest while out enjoying the park. They are made right here in Michigan of 100% recycled plastic, are eco-friendly and provide long lasting durability. The cost will be around **\$350.00** per bench. Please contact the Township Office if you or your family are interested in sponsoring a bench. If anyone is interested in helping to improve the recreational area through involvement of time, resources or monetary donations, please call Mike Lauwers at (810) 395-4968.

Sponsor a bench and dedicate it in honor of your family, in memory of a loved one, or advertise a business

\$350.00

From the Fire Department: Millage Renewal - On August 5th, 2014 there will be a request for a renewal of an expiring fire department millage (.5 mils). This will not be a tax increase only a continuance of an existing millage. Our call volume has increased to it's highest levels ever and in order to maintain the services we provide we need your support. Please help us help you by supporting the fire department millage renewal.

Just a reminder about the tornado siren. The tornado siren is a steady blast lasting 3 minutes. It is used only to indicate either a tornado that has been spotted or an incident involving hazardous materials. If the tornado siren activates you should take cover inside and listen to the local radio station FM WSAQ 107.1 or WGRT 102.3, also TV stations 2, 4, or 7 for updates. **DO NOT GO OUTSIDE UNTIL YOU ARE GIVEN THE ALL CLEAR SIGNAL.** **What not to do:** *Do not go to your child's school. They have plans in place and will be handling the situation. Your arrival will only impede the process. *Do not repeatedly call 9-1-1, only call for emergency services if you have an emergency. *Do not seal off the whole house or office building; there will not be enough time to do so. *Do not leave your shelter until given the "all clear" by authorities or until the time expires for the weather warning. *Do not risk your life for your pets. If you can not get them into the shelter, go into the shelter without them.

Burning Permits: A reminder to residents that a burning permit is required for all open fires. You can obtain a permit at **no charge** from the Mussey Township Office 395-4915, Mon, Tues, Wed. or Thursday from 9am - 12pm & 1pm - 4pm. You may also obtain a burning permit on-line at www.musseyfire.com, or on a link from our website www.musseytownship.org.

Building Permits: A Building Permit packet containing the necessary permit information and fees required for building in Mussey Township may be obtained at the Mussey Township Office or on-line at www.musseytownship.org. Please allow 7 - 10 working days for permits to be issued.

Chloride: The Township will be putting one coat of chloride on all Township roads after the gravel has been spread in mid June. If your road needs additional dust control, you may contact the Township Hall to purchase a house spot in front of your residence for \$210. A house spot is 500 feet in length and the full width of the road. The material used is 21% calcium chloride applied at 2000 gallons per mile. If you do not need a full 500 feet, you may want to consider sharing the cost with a neighbor.

Roads: The Mussey Township board has signed an agreement with the St. Clair County Road Commission to apply 135 loads of 23A gravel to township roads. Each load will weigh approximately 52 tons at a cost of \$10.60 per ton delivered.

St. Clair County Road Commission

To report an emergency call 810-364-5720 Monday-Friday 8 am to 4pm. After hours and on weekends call 810-989-0982

You can visit the St. Clair County Road Comm. website: www.sccrc-roads.org

Election's: There will be a **Primary** Election on August 5, 2014 & **General** Election November 4, 2014

Don't forget to vote! Absentee Ballots will be available at the Township Office.
